## Missionary Highlight

### JONATHAN & TABITHA BURGETT MISSIONARIES TO JAPAN

How exciting to see so many lost souls in one service. On September 8, Agape Bible Baptist Church hosted a special singing concert. God blessed us with 6 first time visitors with a total of 12 lost souls. Two of the guests were from a car shop where we receive service from. Thank the LORD that they and may others who were invited came and heard the gospel in song, testimony, and from the Bible.

Please take a moment to read their current prayer letter.
