### MISSIONARIES TO THAILAND

Please continue to pray as we search for a building for our church plant. We found a building that we would consider perfect for a church, with a large worship area, and several rooms on the second floor for classes and parking. Unfortunately, this building is out of our price range. Please pray the owners would lower their price or the Lord would put the actual perfect building in our path. Our living room is getting quite full on Sundays. We are grateful for it, however, it is a blessing and a burden each week.

Please take a moment to read their current prayer letter.
