## MISSIONARY HIGHLIGHT

Josué & Rebekah Ortiz  
MISSIONARIES TO MEXICO CITY

We are a congregation of more than 600 and still growing! For the last two years, we have been using our current auditorium of 190 chairs, three times each Sunday! However, toward the end of last year, it was very clear that it was not enough anymore. That's why we have made the decision to start a fourth weekly service. This will allow us to grow to more than 700 people every Sunday!

Please take a moment to read their current prayer letter.

*God is Holy. It is the way God is. To be holy he does not conform to a standard. He is that standard. He is absolutely holy with an infinite, incomprehensible fullness of purity that is incapable of being other than it is. Because he is holy, all His attributes are holy.*
